WE BRING THE THEATRE TO YOU

Numbers are a part of our everyday life and Mr Marvel and his Mysterious Maths shows us just how important they are. The number nine has been stolen by the evil Master Multiplication!

Mr Marvel sets out to find the missing number and the audience have to help him. If he can survive the number trials, the number nine will return but if he fails it will be lost forever. It's a challenge everyone must help with. The show is written for Key Stage 2 children but can be enjoyed by all.
