**I**t is the night before Christmas Eve, Santa and the elves are busy in the workshop making all the toys in time for Christmas Day. Everything is going well, or is it ? In his spooky mansion in the middle of the haunted forest the horrible Mr E.Vil has a plan.....  
to kidnap Santa and hold Christmas to ransom. Could this be the end of Christmas as we know it ? or will Ella the faithful elf, with the help of her friends the toys, be able to rescue Santa in time to save
